V.2

RULES GOVERNI[redacted]RDER LOANS

Books loaned through local public libraries or through ..aveling libraries are subject to the rules governing them.

No charge for books.—The books circulated by the State Library are free to all citizens of Oregon who will agree to observe the rules of the library and pay transportation charges both ways on books loaned. Shipment is made by mail or express and all prepaid charges must be remitted upon receipt or return of package.

Borrowers.—Adults not previously registered as borrowers should if possible apply through librarian of local public or traveling library, school officers or principal, county school superintendent, member of the Legislature, officers of the local grange or other permanent organization, or give reference to some state officer located in Salem. Reference is not essential to service. Minors must obtain signature of local librarian or school principal.

Number of Volumes.—Any reasonable request for books will be granted if applicant wishes them for study or research work and books are not needed elsewhere.

Time Kept.—Books must be received at the State Library within 28 days from the date of loan. They may be renewed for the same period upon request, as long as needed for study, unless reserved for other borrowers. Date upon which books will be due in the library is given on notice of shipment. Some books will be issued for shorter period and may not be renewed.

Groups of books for home clubs and libraries are loaned for longer periods of from three to six months.

Fines.—A fine of one cent a day must be paid for books kept, without renewal, beyond period for which loan is made. No book will be loaned to anyone who has failed to meet the obligations of borrowers as given in these rules. Notice will be sent when books are five days overdue without having been renewed.

Lost and Injured Books.—Borrowers are held responsible for books and are required to pay for lost and injured volumes. Number of pieces loaned is given on notification postal and borrowers are held responsible for this number unless notice of shortage or error is sent immediately upon receipt of package.

Books must be kept clean, must not be marked and corners of leaves must not be turned down.
